

August 5, 2010

Dear Brothers & Sisters:

The Training Center will be holding 10 hour OSHA class at the Training Center in Des Moines, in two 5 hour sessions.

Des Moines at the Training Center
August 31st & September 2nd, 2010 5:00-10:00 pm

Those who need or want their 30 hour OSHA; we will be holding the additional 20 hours of classes you need. If you have received 10 hour OSHA from us in the last six months (Classes after March 23rd, 2010) you can take advantage of these classes and receive your 30 hour OSHA card.

Des Moines at the Training Center
September 14th, 16th, 21st and 23rd, 2010 5:00-10:00 pm

Plumbing Code and Plumbing Safety update classes will be held at the:

Des Moines at the Training Center
Tuesday September 7th, 2010 5:00-9:00 pm
Saturday September 18th, 2010 8:00 am-12:00 pm

Mechanical Code and Mechanical Safety update classes will be held at the:

Des Moines at the Training Center
Thursday September 9th, 2010 5:00-9:00 pm
Saturday September 25th, 2010 8:00 am-12:00 pm

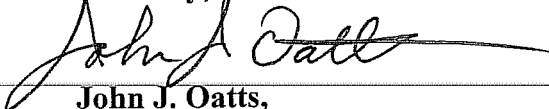

I want to stress the importance of completing your continuing education requirements by your license expiration date so you can renew your license.

****Please note the expiration date on your license. The date is two years from issue date. Not all licenses have the same renewal date.****

Look forward to another Continuing Education schedule in the near future. Numerous classes will be offered to fulfill the remainder of the general related Continuing Education hour requirements.

Call 515-244-1346 to sign up for classes.

Sincerely,

John J. Oatts,
Training Director
