Iowa Plumbing & Mechanical Systems Board

Continuing Education Guidelines for Licensees

IOWA DEPT. OF PUBLIC HEALTH
PLUMBING AND MECHANICAL SYSTEMS BOARD
LUCAS STATE OFFICE BUILDING
321 E. 12th STREET
DES MOINES, IOWA 50319
1-866-280-1521

Continuing Education Requirements for Licensees

The continuing education compliance period shall begin on the date the license is issued and end on the date the license expires.

Each two year licensure period a master or journey licensee holding a **single** trade license is required to complete a minimum of 8 hours of board-approved continuing education. The required distribution of hours is as follows:

- 4 hours in the prescribed practice discipline.
- 2 hours (minimum) applicable Iowa plumbing or mechanical code
- 2 hours in the content area of the Iowa Occupational Safety and Health Act

Each two year licensure period a master or journey licensee holding a **multiple** trade license is required to complete a minimum of 14 or 16 hours of board-approved continuing education. The required distribution of hours is as follows:

- 8 hours in any of the prescribed practice disciplines
- 2 hours (or 4 hours) applicable Iowa plumbing and/or mechanical code
(Note: If you hold a license under both plumbing and mechanical code this number will be 4 hours)
- 4 hours in the content area of the Iowa Occupational Safety and Health Act

For both single and multiple trade licensees up to two hours of board-approved continuing education each two year license period may be obtained through computer-based continuing education programs/activities approved by the board.

The board may conduct audits of a licensee's license renewal application to review compliance with continuing education requirements. Upon request, the licensee must submit to the board an individual certificate of completion issued to the licensee or evidence of successful completion of the course from the course sponsor or course instructor. These documents must contain the course title, date(s), contact hours, sponsor and licensee's name. In some instances, licensees will be requested to provide to the board additional information, including, but not limited to, program content, objectives, presenters, location, and schedule. An inclusive brochure may meet this requirement.

Upon board request, a licensee must submit all information within 30 calendar days following the board's request

For a complete listing of continuing education requirements see IAC 641 – Chapter 30.
