
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the Plan would share the cost for covered health care services. **NOTE: Information about the cost of this Plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 515-243-3246. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	<u>Network</u> : \$750 per person/ \$1,500 per family; <u>Non-Network</u> : \$1,500 per person/ \$3,000 per family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>Plan</u> begins to pay. If you have other family members on the <u>Plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of deductible expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Network preventive care</u> , dental and vision services, hearing aid benefits and LiveHealth Online services are covered before you meet your <u>deductible</u> .	This <u>Plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>Plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>Plan</u>?	<u>Network</u> : \$2,750 per person/ \$5,500 per family; <u>Non-Network</u> : \$5,500 per person/ \$11,000 per family <u>Prescription Drugs</u> : \$3,850 per person/\$7,700 per family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>Plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, dental and vision services, hearing aids, and health care this <u>Plan</u> does not cover	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.ualocal33.org or call 515-243-3246 for a list of <u>network providers</u> .	This <u>Plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>Plan's network</u> . You will pay the most if you use a <u>non-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>Plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use a <u>non-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
